

A bride with long, wavy reddish-brown hair is the central figure, wearing a white lace wedding dress and long white lace gloves. She is smiling and looking at a gold-colored smartphone held in her gloved hand. She is seated at a white table. In the background, other guests are visible, including a woman in a yellow and green patterned dress and another woman in a black and white dress. The setting appears to be a wedding reception with white linens and glassware.
